

Arterial Series No. 9

WHERE WESTBOUND ARTERIAL WOULD CUT THROUGH LIBERTY—Coming west under the proposed arterial plans, traffic would veer north immediately west of St. Mary's Church and continue westerly to cut through Liberty St. in this general area, south of Forbes St. Buildings on both sides of Liberty would be razed to make way for the new traffic artery. Leaving this point, the new route would continue westerly after removal of the south end of the Fownes Bros. plant and skirting of the southerly end of the new Grove St. parking lot in a line toward the Good Will Club on Church St.
